VOL 2. SOc. 10.

TEMPS WILL

The world This way the after dull and weary. The spirit faids a will be beath its lead

as voyagers, by flaresyminds best and broken

A secret sire councils from the shore immortal liviting homewark of the slope decline; Almost we see from where the open portal Fair forms stand booksning such their smile viole.

Clawell! The casth with all her mirrard votes

Tis well, O forends! We would not harm-selveding The long, very see a, gipt call our lost pouth back; disally, with spirms when the facility of the lower behind the court of the court tack. ROTRER'S WAL.

Oft within one attacning as the shears gently tell, when the son't by touchers softly One awest fact, upon the wait. Do we gether class touch the wait has not other alful forgiveness. For the ween public tench had, one. Should you woulder akid custom. At the son do not would a take custom. At the son do not would a take custom. At the son the week of the work was not be the modern's way."

of twis ones the modar's way."

If our hame be might in cheery.

If it helds is a Beome true
Opening wide landered of greening
The characteristic of the cheery of the characteristic of the character

Thus we keep h figure mostly precious.
While we are discount to pray.
That of last wheel long, healing station
Mark the eventhe are filled day.
They may had we waither mother's way.

— Faller

Sometimes—it is known why?
One mismal holds a power
That shaddly a west hour.
Dialed to iffix say,
a cloud that is a speck
When securious far away
far he meses and warch.
The joy of sweet day.

was asset on the second of the word, whisperphonest and fleet, was except can be bread. Our meet will be hours all they hours along. This whipper with the song. Depth of our weary less.

Depth our way fate.

Sometimes a sudden look.
This fallship from some face.
Will lepad hate sook work
Of tide, and leave its trace.
To know up to the next,
And sway otherway will.
Through a-1 the face that be

SHREE SUBILANA.

The world is givering believe the transport of the transp

ny changes have come p'er us

We have had or relight websitons. Every year:
And our pleasant jubilations. Every year;
There are visions to remainber.
Of fewers in this tender.
And Christians to December.
Every year.

The run shinesian brightly [Fory year, And the snowlikes fall as lightly Fory year, As in days when we were yearger, And the years appeared much longer To our hearts, went han felt stronger Every year.
